That is of mcdougal could influence your readers outside of each theory amongst the outcomes. And this ebook is extremely had to read detail with detail, so it might be consequently perfect for both your own life and you. His story troubled the Sultan's deputy and he was sore enraged against him; so he drew his sword and smiting him, cut off his head; whereupon one recited the following verses: 73. The Miller and his Wife cclxxxvii. FIROUZ AND HIS WIFE (175). Meanwhile, Queen Kemeriyeh and her company sailed on, without ceasing, till they came under the palace wherein was Tuhfeh, to wit, that of Meimoun the Swordsman; and by the ordinance of destiny, Tuhfeh herself was then sitting on the belvedere of the palace, pondering the affair of Haroun er Reshid and her own and that which had befallen her and weeping for that she was doomed to slaughter. She saw the ship and what was therein of those whom we have named, and they in mortal guise, and said, 'Alas, my sorrow for yonder ship and the mortals that be therein!' As for Kemeriyeh and her company, when they drew near the palace, they strained their eyes and seeing Tuhfeh sitting, said, 'Yonder sits Tuhfeh. May God not bereave [us] of her!' Then they moored their ship and making for the island, that lay over against the palace, spread carpets and sat eating and drinking; whereupon quoth Tuhfeh, 'Welcome and fair welcome to yonder faces! These are my kinswomen and I conjure thee by Allah, O Jemreh, that thou let me down to them, so I may sit with them awhile and make friends with them and return.' Quoth Jemreh, 'I may on no wise do that.' And Tuhfeh wept. Then the folk brought out wine and drank, what while Kemeriyeh took the lute and sang the following verses: 'Th' Amir (quoth it) am I whose charms are still desired; Absent or present, all in loving me consent. 111 El Melik es Zahir Rukneddin Bibers el Bunducdari and the Sixteen Officers of Police dccccxxx. As for the youth, he gave his governor a thousand dirhems and despatched him to his father, to fetch money from him, so he might pay the rest of the girl's price, saying to him, 'Be not [long] absent.' But the governor said in himself, 'How shall I go to his father and say to him, "Thy son hath wasted thy money and wantoned it away"?' (180) With what eye shall I look on him, and indeed, I am he in whom he confided and to whom he hath entrusted his son? Indeed, this were ill seen. Nay, I will fare on to the pilgrimage (181) [with the caravan of pilgrims], in despite of this fool of a youth; and when he is weary [of waiting], he will demand back the money [he hath already paid] and return to his father, and I shall be quit of travail and reproach.' So he went on with the caravan to the pilgrimage (182) and took up his abode there. 'But now unto me of my loves accomplished are joyance and cheer And those whom I cherish my soul with the wine of contentment regale. How oft I've waked, whilst over me my comrades kept the watch! How many a stony waste I've crossed, how many a desert dread! a. The First Calender's Story xi. 112. Aboulhusn and his Slave-girl Taweddud cccxxxvi. 89. Mesrour and Ibn el Caribi cccxcix. Wherefore, O stranger, dare thou not approach me with desire, Lest ruin quick and pitiless thy hardihood requite. Merchants, The Sharper and the, ii. 46. When Selim found himself in that sorry plight and considered that wherewith he was afflicted of tribulation and the contrariness of his fortune, in that he had been a king and was now returned to shackles and prison and hunger, he wept and groaned and lamented and recited the following verses: Presently, her brothers returned, whereupon the old man acquainted them with the whole case and said to them, "O my sons, know that your sister purposed not aught but good, and if ye slay this man, ye will earn abiding reproach and ye will wrong him, ay, and wrong yourselves and your sister, to boot; for indeed there appeareth no cause [of offence] such as calleth for slaughter, and it may not be denied that this incident is a thing the like whereof may well betide and that he may well have been baffled by the like of this chance." Then he turned to me and questioned me of my lineage; so I set forth to him my genealogy and he said, "A man of equal rank, honourable [and] understanding." And he offered me [his daughter in] marriage. I consented to him of this and marrying her, took up my abode with him and God the Most High hath opened on me the gates of weal and fortune, so that I am become the most abounding in substance of the folk of the tribe; and He hath stablished me in that which He hath given me of His bounties.' Nouredin thanked him and they entered the slave-merchant's house. When the people of the house saw About Nuwas, they rose to do him worship, for that which they knew of his station with the Commander of the Faithful. Moreover, the slave-dealer himself came up to them with two chairs, and they seated themselves thereon. Then the slave-merchant went into the house and returning with the slave-girl, as she were a willow-wand or a bamboo-cane, clad in a vest of damask silk and tired with a black and white turban, the ends whereof fell down over her face, seated her on a chair of ebony; after which quoth he to those who were present, "I will discover to you a face as it were a full moon breaking forth from under a cloud." And they said, "Do so." So he unveiled the damsel's face and behold, she was like the shining sun, with comely shape and day-bright face and slender [waist and heavy] hips; brief, she was endowed with elegance, the description whereof existeth not, [and was] even as saith of her the poet: 'The ignorant man may speak with impunity A word that is death to the wise and the ripe of wit.' And aloes-wood, to boot, he brought and caskets full of pearls And priceless rubies and the like of costly gems and bright; And

horses eke wouldst have led to thee day by day And girls, high-breasted maids, and damsels black and white. Presently, Jesus, son of Mary (on whom be peace!) passed by and seeing this, besought God the Most High for tidings of their case; so He told him what had betided them, whereat great was his wonderment and he related to his disciples what he had seen. Quoth one of them, 'O Spirit of God, (251) nought resembleth this but my own story.' 'How so?' asked Jesus, and the other said, 'Then she cast the lute from her hand and swooned away; so she was carried to her chamber and indeed passion waxed upon her. After a long while, the Commander of the Faithful sent for her a third time and bade her sing. So she took the lute and sang the following verses: When the king had read this letter, he rejoiced with an exceeding joy and bestowed on me great store of presents and entreated me with the utmost honour. Some days after this, I sought of him leave to depart, but he granted it not to me save after much pressing. So I took leave of him and shipped with divers merchants and others, intending for my own country and having no desire for travel or traffic. We sailed on, without ceasing, till we had passed many islands; but, one day, as we fared on over a certain tract of the sea, there came forth upon us a multitude of boats full of men like devils, clad in chain-mail and armed with swords and daggers and bows and arrows, and surrounded us on every side. They entreated us after the cruellest fashion, smiting and wounding and slaying those who made head against them, and taking the ship, with the crew and all that were therein, carried us to an island, where they sold us all for a low price. A rich man bought me and taking me into his house, gave me to eat and drink and clothed me and entreated me kindly, till my heart was comforted and I was somewhat restored. The earth is my birth-place, indeed; but my place Of abidance is still in the cheeks of the fair. Now I had questioned her of her name and she answered, "My name is Rihaneh," and described to me her dwelling-place. When I saw her make the ablution, I said in myself, "This woman doth on this wise, and shall I not do the like of her?" Then said I to her, "Belike thou wilt seek us another pitcher of water?" So she went out to the housekeeper and said to her, "Take this para and fetch us water therewith, so we may wash the flags withal." Accordingly, the housekeeper brought two pitchers of water and I took one of them and giving her my clothes, entered the lavatory and washed. The First Day. Meanwhile, the eunuch betook himself, he and the horsemen, to her father and said to him, "O my lord, the king is beholden to thee for many years' service and thou hast not failed him a day of the days; and now, behold, he hath taken thy daughter against thy wish and without thy permission." And he related to him what had passed and how the king had taken her by force. When Isfehend heard the eunuch's story, he was exceeding wroth and assembling many troops, said to them, "Whenas the king was occupied with his women [and concerned not himself with the affairs of his kingdom], we took no reck of him; but now he putteth out his hand to our harem; wherefore methinketh we should do well to look us out a place, wherein we may have sanctuary." z. The Stolen Purse dcv. Till in a robe of sandal green 'twas clad And veil that blended rose and flame (216) in hue. Thou only art the whole of our desire; indeed Thy love is hid within our hearts' most secret core. ABDALLAH BEN NAFI AND THE KING'S SON OF CASHGHAR. (157). King Shah Bekht and his Vizier Er Rehwan, i. 215. On this wise he continued to do for the space of a whole year, till, one day, as he sat on the bridge, according to his custom, expecting who should come to him, so he might take him and pass the night with him, behold, [up came] the Khalif and Mesrour, the swordsman of his vengeance, disguised [in merchants' habits] as of their wont. So he looked at them and rising up, for that he knew them not, said to them, "What say ye? Will you go with me to my dwelling-place, so ye may eat what is ready and drink what is at hand, to wit, bread baked in the platter (8) and meat cooked and wine clarified?" The Khalif refused this, but he conjured him and said to him, "God on thee, O my lord, go with me, for thou art my guest this night, and disappoint not my expectation concerning thee!" And he ceased not to press him till he consented to him; whereat Aboulhusn rejoiced and going on before him, gave not over talking with him till they came to his [house and he carried the Khalif into the] saloon. Er Reshid entered and made his servant abide at the door; and as soon as he was seated, Aboulhusn brought him somewhat to eat; so he ate, and Aboulhusn ate with him, so eating might be pleasant to him. Then he removed the tray and they washed their hands and the Khalif sat down again; whereupon Aboulhusn set on the drinking vessels and seating himself by his side, fell to filling and giving him to drink and entertaining him with discourse. There was once in the land [of Egypt and] the city of Cairo, [under the dynasty] of the Turks, (84) a king of the valiant kings and the exceeding mighty Sultans, by name El Melik ez Zahir Rukneddin Bibers el Bunducdari. (85) He was used to storm the Islamite strongholds and the fortresses of the Coast (86) and the Nazarene citadels, and the governor of his [capital] city was just to the folk, all of them. Now El Melik ez Zahir was passionately fond of stories of the common folk and of that which men purposed and loved to see this with his eyes and hear their sayings with his ears, and it befell that he heard one night from one of his story-tellers (87) that among women are those who are doughtier than men of valour and greater of excellence and that among them are those who will do battle with the sword and others who cozen the quickest-witted of magistrates and baffle them and bring down on them all manner of calamity; whereupon quoth the Sultan, 'I would fain hear this of their craft from one of those who have had to do theiewith, so I may hearken unto him and cause him tell.' And one of the story-tellers said, 'O king, send for the chief of the police of the town.' As I sat one day in my shop, there came up to me a fair woman, as she were the moon at its rising, and with her a slave-girl. Now I was a handsome man in my time; so the lady sat down on [the bench before] my shop and buying stuffs of me, paid down the price and went away. I questioned the girl of her and she said, "I know not her name." Quoth I, "Where is her abode?" "In heaven," answered the slave-girl; and I said, "She is presently on the earth; so when doth she ascend to heaven and where is the ladder by which she goeth up?" Quoth the girl, "She hath her lodging in a palace between two rivers, (181) to wit, the palace of El Mamoun el Hakim bi Amrillah." (182) Then said I, "I am a dead man, without recourse;" but she replied, "Have patience, for needs must she return unto thee and buy stuffs of thee yet again." "And how cometh it," asked I, "that the Commander of the Faithful trusteth her to go out?" "He loveth her with an exceeding love," answered she, "and is wrapped up in her and gainsayeth her not." Then the two kings entered the bath, and when they came forth, they sat down on a couch, inlaid with pearls and jewels, whereupon the two sisters came up to them and stood before them, as they were moons, swaying gracefully from side to side in their beauty and grace. Presently they brought forward Shehrzad and displayed her, for the first dress, in a red suit; whereupon King Shehriyar rose to look upon her and the wits of all present, men and women, were confounded, for that she was even as saith of her one of her describers: j. The Tenth Officer's Story dccccxxxviii. The Tenth Day. When it was eventide, the king summoned the vizier and bade him tell the [promised] story, "Harkening and obedience," answered he. "Know, O king, that. As for King El Aziz, he lived after this seven years and was admitted to the mercy of God the Most High; whereupon his son El Abbas carried him forth to burial on such wise as beseemeth unto kings and let make recitations and readings of the Koran, in whole or in part, over his tomb. He kept up the mourning for his father a full-told month, at the

end of which time he sat down on the throne of the kingship and judged and did justice and distributed silver and gold. Moreover, he loosed all who were in the prisons and abolished grievances and customs dues and did the oppressed justice of the oppressor; wherefore the people prayed for him and loved him and invoked on him endurance of glory and kingship and length of continuance [on life] and eternity of prosperity and happiness. Moreover, the troops submitted to him and the hosts from all parts of the kingdom, and there came to him presents from all the lands. The kings obeyed him and many were his troops and his grandees, and his subjects lived with him the most easeful and prosperous of lives..? ? ? ? Parting afar hath borne you, but longing still is fain To bring you near; meseemeth mine eye doth you contain.
