Amos himself was well aware how long he would have hesitated had the question been asked of him. As the seconds passed, he began to fear for Jack's life, and wished he had had a chance to figure some other way to get the mirror out One minute passed; perhaps they could have tricked the girl into bringing it up herself. Two minutes; they could have tied a string to the leg of a frog and sent him down to do the searching. Three minutes; there was not a bubble on the water, and Amos surprised himself by deciding the only thing to do was to jump in and at least try to save the prince. But there was a splash of water at his feet. He redesigned the whole device, built a prototype and tested it, tore it down, redesigned, built another. It was Christmas before he was done. Once more he locked up the device and all his plans, drawings and notes..it in and picked it up. She peered at the underside and laughed in wonder..which seems to move in casual
